

KITE AIR: ATR72 SENIOR FIRST OFFICERS / FIRST OFFICERS

Inspiring People

Longreach Aviation Resources is pleased to offer ATR 72 Senior First Officers and First Officers position with Kite Air, a new operator in the booming Vietnamese aviation industry.

Kite Air is expected to start ATR72 operations by Q1-2020. Expansion plans should see the fleet increased to 30 aircraft by the end of 2024, including 15 ATR-72s and 15 Airbus A320 family aircraft. This is a rare opportunity to join a new airline and be ahead of the expansion wave.

Contracts are 2 years in length and renewable. Senior First Officers and First Officers can choose from four operational bases of Ho Chi Minh City, Hanoi, Da Nang or Chu Lai. There is also potential to upgrade or transfer to the A320 in the future.

Vietnam is a very popular and fast-growing destination for pilots and expats. It offers a highly-sought after lifestyle, low cost of living, and a lively, vibrant culture. Benefit from these opportunities while working for Kite Air, an energetic new airline carrier with a long term vision.
